

Get in the Holiday Spirit
Contribute to BRF's
Holiday Gift Giving Program

Join The Breathing Room Foundation, a local cancer outreach program, as we bring the **HOLIDAY SPIRIT** into the homes of over 180 local families this holiday season.

We will fulfill the wish lists of over 700 individuals with the help of an army of volunteers and donors.

Help us to let our families know that they are not alone!

There are many opportunities available to contribute to these programs.

Please consider getting involved by:

- Fulfilling the wish list of an entire family
- Fulfilling the wish list of one individual
- Purchasing just one gift from a wish list
- Making a tax-exempt donation toward this project
- Donating gift cards – Grocery stores, Target, Walmart, mall stores, restaurants, movie tickets, etc.
- Offering to deliver the gifts to the families - delivery day is 12/10/16
- Bake holiday cookies and treats to be delivered with their holiday meals

For more info about the Holiday Program call or email:
