

Breathing Room Foundation

for families affected by cancer

BRF Holiday Collection 2020

The Breathing Room Foundation (BRF) is a nonprofit that provides critical support to families affected by cancer. BRF understands the importance of maintaining normalcy within the family while navigating the difficult journey through cancer diagnosis and treatment. Although this year's Holiday Program will look a little different due to Covid-19, our families need us more now than ever! BRF, together with our volunteers and donors, will provide our families with a holiday gift delivery, reminding them they are not alone in their fight.

DONATIONS NEEDED

- Family board games
- Gift cards - Grocery stores, Target, Walmart, Amazon, Wawa, etc.
- Craft kits for all ages
- Baking supplies
