

Breathing Room Foundation

for families affected by cancer

BRF Holiday Collection 2022

The Breathing Room Foundation is a nonprofit that provides critical support to families affected by cancer. BRF understands the importance of maintaining normalcy within the family while navigating the difficult journey through cancer diagnosis and treatment. BRF, together with our volunteers and donors, will provide our families with a holiday gift delivery, reminding them they are not alone in their fight.

DONATIONS NEEDED

- Family board games
- Craft kits for all ages
- Warm & fuzzy blankets
- Winter Warmth items ([see flyer](#))
- Art Supplies
- Legos, puzzles, activity books
