ABOUT BRF

The Breathing Room Foundation (BRF) is a nonprofit that provides comfort and support for families affected by cancer. Our mission is to provide those affected by cancer with personal, individualized support to alleviate the emotional, physical, and financial strain that a cancer diagnosis brings. It is our goal to ensure our families have the “breathing room” they need to allow them to concentrate their efforts on regaining their health.

The BRF office is located at 8310 Brookside Road in Elkins Park, on the St. James Catholic Church campus. For more information, please contact jaci@breathingroomfoundation.org or (215) 277-1006.
