**SUPPORTING LOCAL FAMILIES
IN THEIR FIGHT AGAINST CANCER**

What does a sponsorship really mean in support for a BRF recipient?

PRESENTING SPONSOR

\$15,000 will provide 500 rides to life-saving cancer treatment. This assures 50 patients have reliable transportation to get to their oncology treatment through BRF.

\$15,000

CHAMPION SPONSOR

\$10,000 provides a full year of BRF support to four families, including provision of groceries, children's programs, bill payment, and medical supplies.

\$10,000

ADVOCATE SPONSOR

A \$5,000 sponsorship provides food and household necessities (care packages) to 20 families, allowing them to feed their families for two weeks.

\$5,000

FAMILY SPONSOR

\$3,000 supports the unique needs of our elderly population, including nutritional supplements, medical equipment and supplies, grocery deliveries, and regular check-ins to avoid the feeling of isolation.

\$3,000

What does a sponsorship really mean in support for a BRF recipient?

COMMUNITY SPONSOR

\$1,500 replenishes our supply of diapers, wipes, and clothing for our families with infants and toddlers.

\$1,500

NEIGHBOR SPONSOR

\$500 provides rides for one vulnerable elderly recipient to all of their cancer treatments with one driver, relieving the fear and discomfort of driving with a stranger.

\$500

FRIEND SPONSOR

\$250 for BRF recipients can keep the lights on for one family, provide two weeks of groceries and necessities for one family, or offer one month of nutritional supplements for two patients.

\$250

Sponsoring the Breathing Room Foundation's Valley Road Run is an opportunity to highlight the partners and supporters who make our work possible.

All proceeds go directly to supporting Breathing Room families in a very real and tangible way - with the purchase of groceries, payment of an electric bill, a delivery of nutritional supplements, or a ride to cancer. Having a community who can help with these simple things makes all the difference for so many families who are stretched to their limits by cancer. Thank you for making a difference for our families.
