from Executive Director, Mary Ellen Fitzgerald

Dear Breathing Room Supporters,

Thank you for being part of our BRF family. The Breathing Room was born in the hardest days of my sister Diane's life. While battling for her life and facing her mortality, Diane prioritized others in the community, creating the Breathing Room to serve others fighting cancer. Since 1997, we have served more than 20,000 families, touching the lives of thousands in the Philadelphia region, and expanding Diane's legacy to ensure that no family fights cancer alone.

We hope that through our individualized support, we can offer strength, grace, and a little bit of breathing room to our families. This work is only possible due to your support, as volunteers, sponsors, partners, donors, and community members. Every time you pack a gift for a Breathing Room family, every time you drop off a comfort bag or care package, every time you spread the word of the Breathing Room's mission, you are extending Diane's legacy and ensuring that our work will continue.

As we move into 2025 and beyond, the scope of our work may grow, but our mission will remain the same. We will always aim to serve our local community of cancer fighters, provide individualized support, and address critical needs so that recipients can focus on regaining their physical health.

Thank you for making our work possible. The Breathing Room is thriving and growing because of you.

**Since 1997, we
have served
more than
20,000 families,
expanding
Diane's legacy
to ensure that
no family fights
cancer alone.**

With Gratitude,

Mary Ellen Fitzgerald
Breathing Room Foundation
Executive Director

Keeping Breathing Room Agile and Accessible

Since 1997, the Breathing Room Foundation (BRF) has focused on providing individualized care and support to Philadelphia-area families fighting cancer. In 2023 and 2024, the scope and breadth of that support has continued to grow and adapt in response to the needs of BRF recipients.

From the immediacy of our response (BRF recipients can start receiving support the same day that they are referred) to the personal contact and individualized services (each recipient is contacted directly by our staff, who make a plan for each family and follow up with them throughout their year of service), every aspect of the BRF experience is designed to prioritize the recipients, making them feel surrounded by community support.

The BRF community of supporters touched the lives of 6,672 individuals in 2023 and 2024. This community consists of our referring partners at our hospitals and care centers; the donors and sponsors who fund our programs; our dedicated staff, Board of Directors, and over 400 active volunteers who take part in every aspect of our work from creating care packages, preparing meals, and making a direct connection with our families through deliveries or check-in calls.

To say our work wouldn't be possible without this community is an understatement, but to say our work is built on community and for community – that begins to capture the true spirit behind everything that we do.

When Diane and Bernie first gathered their friends in the back room of their house in 1997, it was their way of paying forward the love and support they had received during Diane's six-year battle with cancer.

The care shown to the Fitzgerald family – by friends, family, teammates, coaches, and neighbors – is the same spirit of generosity and connection we see today from corporate groups, clubs, schools, sports teams, and countless community partners who step up every day to walk alongside our families.

Board of Directors & Staff

2023-2024 Board of Directors

Dr. Sramila Aithal, Medical Oncologist, Alliance Cancer Specialists

Dr. Adam Binder, Medical Oncologist, Thomas Jefferson University Hospital

Greg Clifton, Manager, Organizational Development, Day & Zimmermann

Matthew Cullison, (Board Vice President) Sr. Director, Newmark

Diana Eidenshink, President, ACE Mentor Program

Ryan Galvin, (Board President) Chief Talent Officer, Stradley Ronon

Vincent Hegarty, (Board Treasurer) Senior Compliance Analyst, SIG

Phyllis Jablonowski, Owner, Eventricity

A.J. Juliani, Head of Learning and Growth, NextLesson

Jordan Meserole, Director, Marketing, Doylestown Country Club

Bill News, Education Consultant, LexisNexis

Adam Pritzker, Founder, President, Pritzker Law Group

Jodi Sandos, Senior Oncology Social Worker, Thomas Jefferson University Hospital

Barbara Shaw, (Board Secretary) Senior Client Advocate, ECBM

Ken Zylstra, Senior Vice President, Rust Consulting, Inc.

2023-2024 Staff

Mary Ellen Fitzgerald, Executive Director

Eileen Carissimi, Volunteer Coordinator

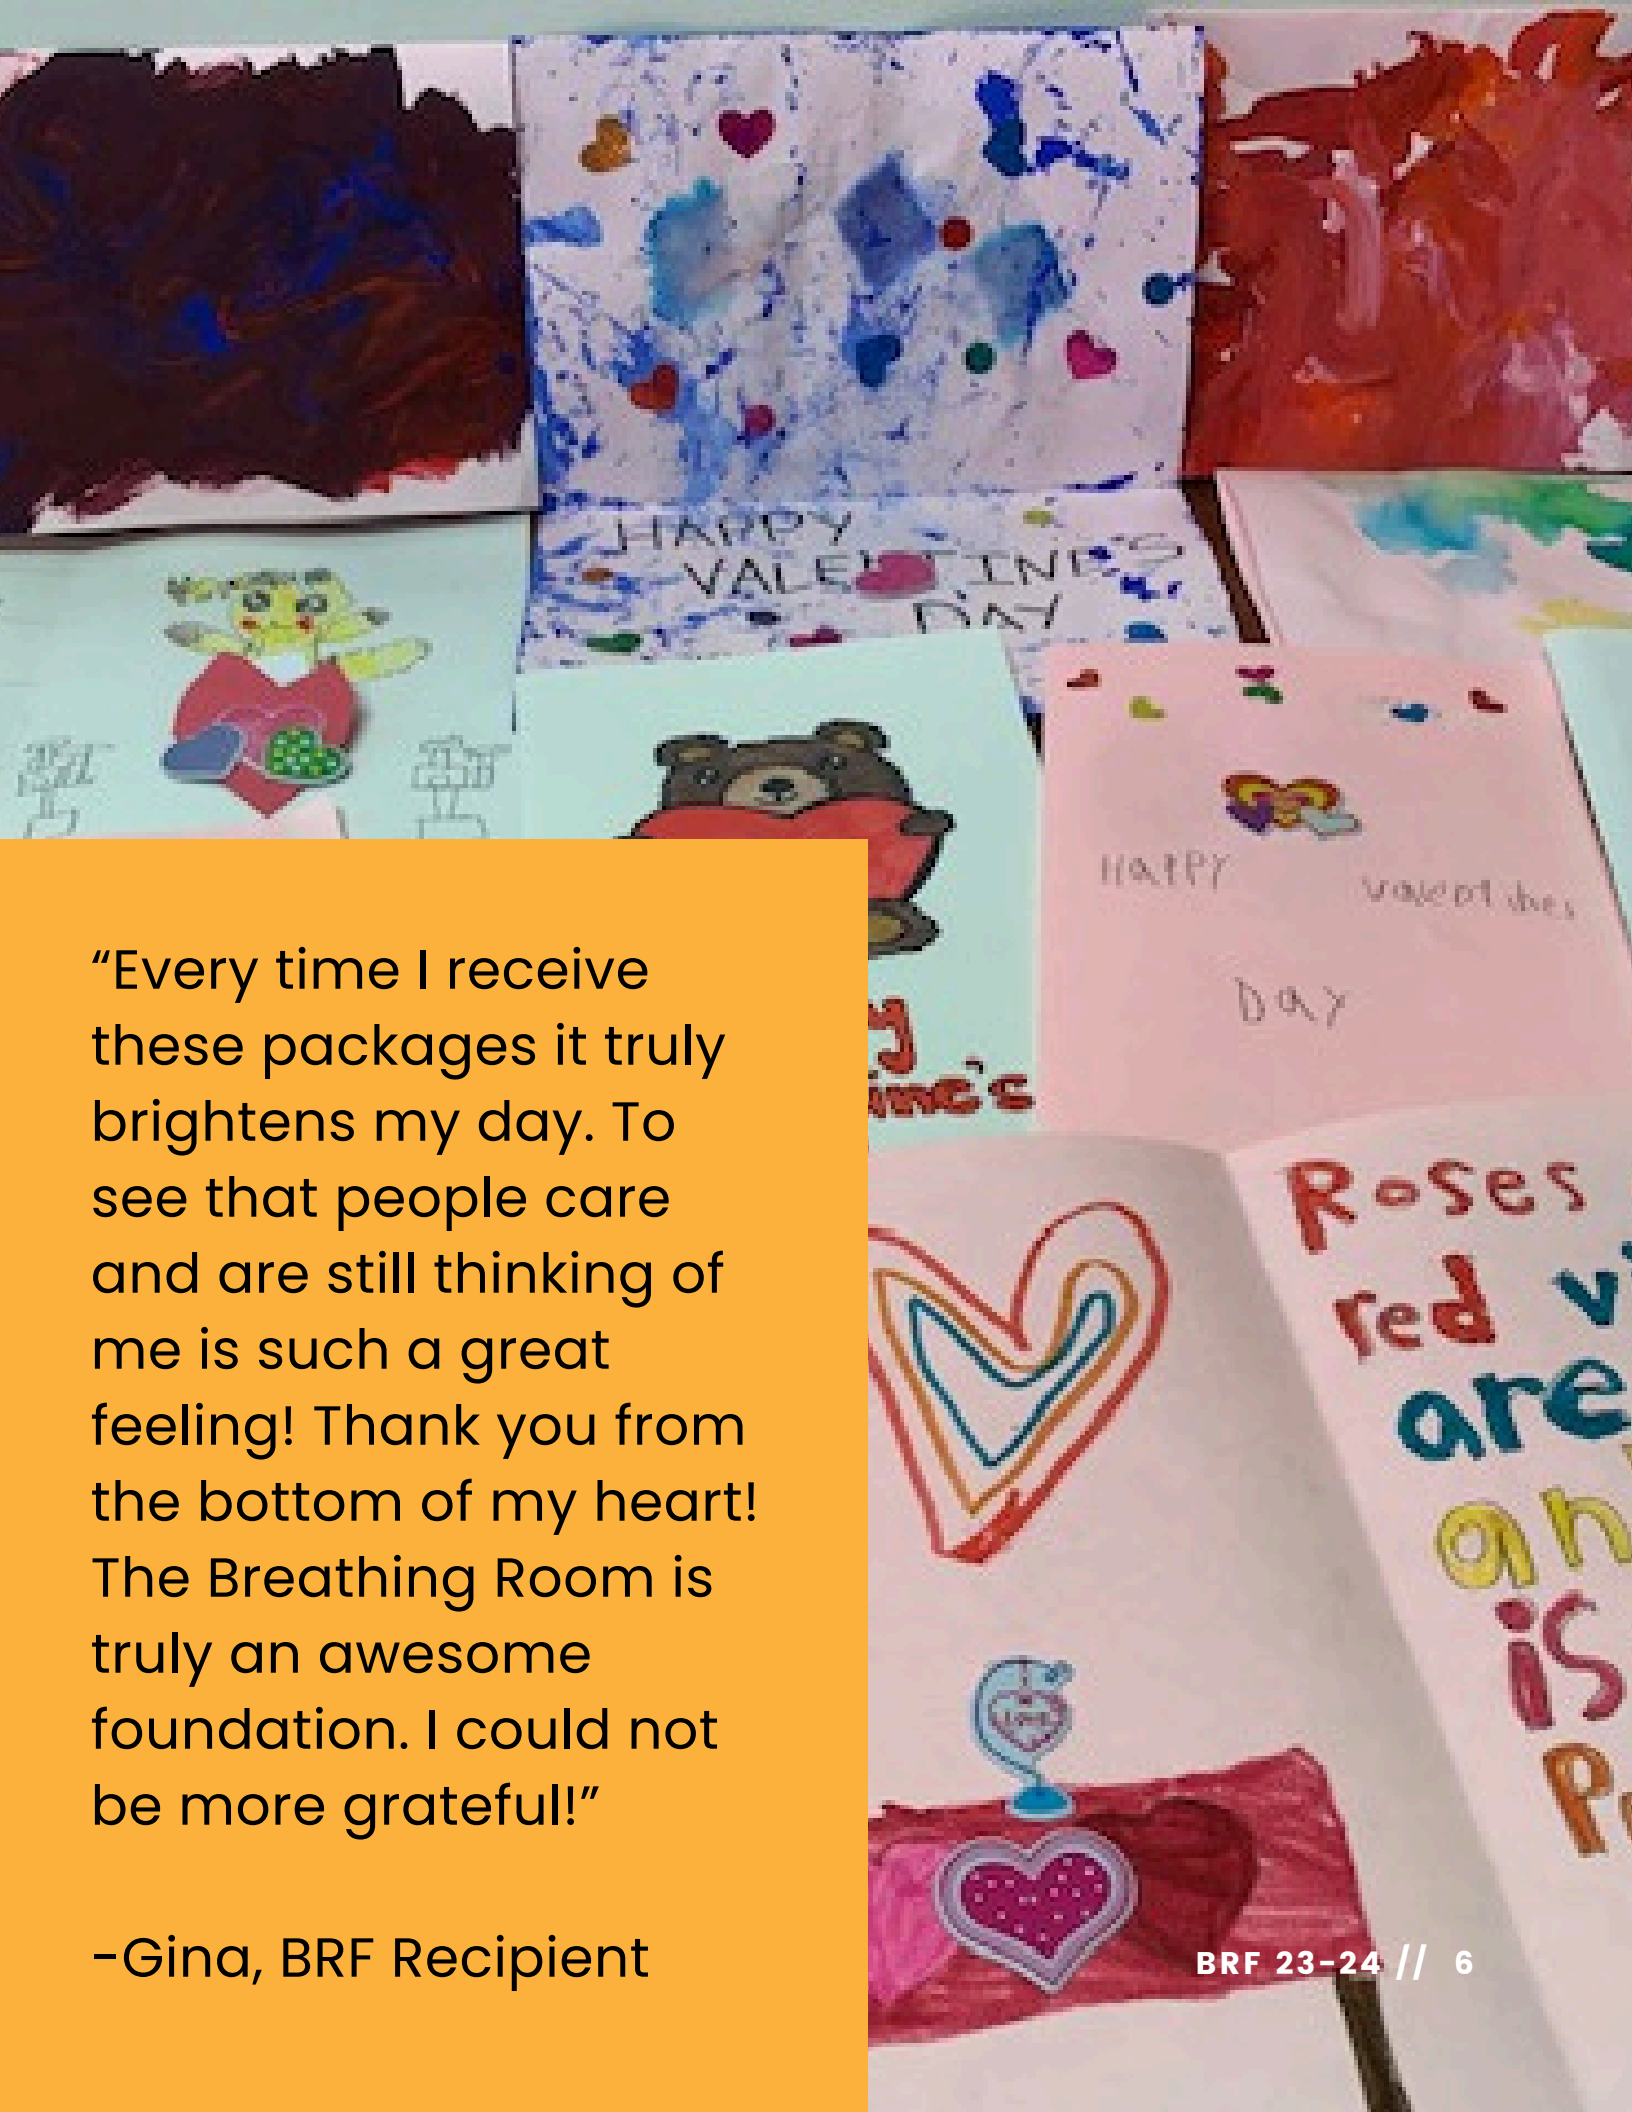

Aginah Dingle, Office Administrator

Colleen Knoble, Director of Development

Jen Schiffelbein, Director of Marketing

Tricia Tysiak, Transportation Coordinator

“Every time I receive these packages it truly brightens my day. To see that people care and are still thinking of me is such a great feeling! Thank you from the bottom of my heart! The Breathing Room is truly an awesome foundation. I could not be more grateful!”

–Gina, BRF Recipient

● The Summer of Janet's Flowers

● Third Annual Abington Club Family Fun Night

● Cornhole Tournament and after party featuring The Wayside!

● Orange Run

● Third Annual Little Macs Dash

● Valley Road Run

● A Toast to Life and A Taste of Philly

● Thanksgiving Program

● Matching Gift Campaign

● Holiday Program

editor's note: this is a non-exhaustive list, particularly in regards to third-party fundraisers

● BRF Event/Program

● Third Party Fundraiser

● Noteworthy Item

Three's a Charm

attending a BRF event provides funding directly to recipients fighting cancer

With a focus on three major fundraisers – the BRF Golf Classic, A Toast to Life evening event, and the Valley Road Run – BRF offers a chance for our community to gather together, celebrate the mission of the Breathing Room, and collectively fundraise for Breathing Room families.

01. BRF Golf Classic

BRF's largest fundraiser! The 2024 Outing ECLIPSED all previous fundraising, and our sponsors, golfers, volunteers, and Philadelphia Cricket Club staff continue to make it an amazing event.

02. Valley Road Run

The runners, walkers, and most importantly, TEAMS who support BRF at the Valley Road Run make this community event beautiful every year. 2024 top fundraising teams: Little Macs, King Arthur's Miles & Miles for Mitchell
2023 top fundraising teams: King Arthur's Miles, Little Macs, & Miles for Mitchell

03. A Toast to Life

Whether at Normandy Farms or Morris Arboretum, the Toast to Life continues to allow us to truly celebrate the hard work, compassion, and mission-centric focus of the Breathing Room's volunteers, partners, donors, and supporters, all with a little fun.

Committed Partners

There are so many wonderful partners who support the Breathing Room in various ways. From third party events like ifm's Orange Run and the Cornhole Tournament sponsored by Bubba Dogs and the MacSwiney Club, to individuals donating their skills and talent like The Acoustic Keys, who play so many BRF events and refuse to accept a penny in payment – the community of supporters who surround the Breathing Room help us to raise funds that go directly to providing services to families fighting cancer. Though the atmosphere at our events may feel like a party, the focus is always to provide real relief to cancer-fighting families going through an incredibly hard time.

BRF Opportunities

The BRF calendar is full all year long, of programs big (Spring Program, Back to School Program, Thanksgiving Program, and Holiday Program) or small (MLK Day, Valentine's Day, Summer Food Drive), events run in-house (Golf, Valley Road Run, A Toast to Life) and third-party fundraisers, and many more in-between.

The fastest growing area of support for BRF is through third-party fundraisers, which can range from Swim for the Girls yearly swim meet, to ifm's annual Orange Run, to the Little Mac's Dash, only in its third year (but already making an impact!). Fundraisers like these can raise thousands of dollars for Breathing Room families, but they also increase community engagement while adding crucial dollars to our fundraising efforts.

These third-party fundraisers, combined with individual collections and community drives, allow every member of the community to support the Breathing Room in whatever way works best for them - whether they do a diaper and wipes drive like Lightbridge Academy in Fort Washington, sponsor five families for the holidays like Huntingdon Valley Country Club, or invite friends over to build care packages for recipients. The individualized support we offer recipients applies to volunteers in the same way - whatever way you would like to support Breathing Room families, you will make an impact.

We are so grateful to the corporate and community groups that support BRF.

Maximize Your Impact: Find the way to give that works for you

When you support the Breathing Room, you can do it in whatever way works for you – as a volunteer, program donor, financial donor, third-party fundraiser, or event attendee. And if none of those are the right fit for you right now, simply sharing the Breathing Room's mission with more people helps to create increased interest and attention.

More than 400 volunteers support the Breathing Room in various ways each year, in the office, as a delivery driver, at events, and through our programs. You can volunteer when, where, and how it works for you.

You can engage your corporate community, like Newmark, who continued their tradition of more than ten years of sponsoring families for the holiday program, or begin a new one, like Abington Pharmacy, who collected Back to School supplies in their store, providing more than 50 filled backpacks for Breathing Room kids.

You can pack snack bags and comfort packages at home, like Ava, who invited her friends to a snack-bag-packing party. Or start a Breast Cancer Awareness Club at your school and engage others in projects for the Breathing Room, like Mount Saint Joseph Academy sophomore Sally.

All of these projects impact Breathing Room recipients. We all have the same “why” in supporting the Breathing Room – to ease the burden of fighting cancer in a small way, and to offer some breathing room in their fight. Figuring out your what, where, when, and how – is limitless, and up to you.

2023-2024 DONOR LIST

Thank you to these incredible donors who make our work possible.

Please let us know if your name is misspelled or we have missed including you - email jen@breathingroomfoundation.org for a correction.

in honor & in memory

Thank you to these incredible donors who made a gift in honor or in memory of a loved one. This highlights the impact our work can have through one person, one family, and one helping hand.

Please let us know if your name is misspelled or we have missed including you - email jen@breathingroomfoundation.org for a correction.

THANK YOU

89 CENTS OF EVERY DOLLAR RAISED GOES DIRECTLY TO BRF FAMILIES

Your support pays rent, provides groceries, offers gas payment or rides to treatment, gives comfort bags and care packages, treats children at holidays, and so much more.

"I want to thank your foundation for paying my PECO bill. I'm struggling to keep up with all of my bills, as I was diagnosed with cancer in October. It's been a rough chapter in my life, and asking for help is not something I do easily. Everything has kind of snuck up on me and I am overwhelmed.

I'm grateful that there are services out there like the Breathing Room that truly want to assist someone in my situation, and I thank you for helping me!"

-Bunny, BRF Recipient

carson's story

Carson's story was shared in the BRF 2024 Annual Appeal. Read his family's full story on the BRF website.

"The Breathing Room makes hard times lighter."

At just two years old, Carson's cough turned into a fast-growing mass on his chest. His local Jamaican hospital treated him as best as they could, but a move to be near family in Philadelphia and receive treatment at CHOP for his neuroblastoma was the best option. This led to three rounds of chemo, surgery, two more rounds of chemo, high dose chemo and a stem cell transplant with six months of isolation, radiation, and immunotherapy, all totaling 16 months of active treatment gave Carson the best opportunity to beat cancer.

For Carson's parents, there was no question that they would do everything in their power to care for their son. "Family is everything to me," Carson's dad, Ramon, shared. "Nothing was going to stop us from getting Carson the help he needed. We sold everything and moved here to get our child treatment." That meant hard days like mom Tehani going with Carson for his stem cell treatment, while Ramon went home to Jamaica to move the family to Philadelphia permanently.

The strict, isolating regime of cancer treatment was the hardest part for Carson. "But he's such a little trooper," Tehani said. "He just got up and knows what he can and can't do, and he just works with it. He made it easy on us. As a two and then three year old going through all of this, he understands what he has to do, and has faith that everything will work out."

A faith shared by the whole family: "I believe we are being watched over, and with the help we have received on the way, from CHOP, from the Breathing Room, we are able to get Carson what he needs," Ramon stated. "With the support of the Breathing Room, we knew we were not alone. In the midst of moving and cancer treatment, we didn't have to buy one Christmas gift, and we received so many kind notes of support. Even the cleaning supplies so that we can keep the house cleaned and sanitized and safe for Carson. The Breathing Room makes hard times lighter."

On to the next 25 years...

More than 20,000 families like Carson's have received support from the Breathing Room.

This is only possible because of our donors, volunteers, sponsors, and supporters - only possible because of YOU.

We believe that small things make a big impact, particularly when battling cancer. We create customized support plans for each recipient to provide relief where it is needed most.

We differentiate ourselves by how quickly we can offer support, often addressing a family's needs the day they are referred.

The support each family receives is tailored to their needs - meeting them where they need support that will help the most in their cancer fight.

THANK YOU

It is only through your support that our work is possible. Thank you for providing Breathing Room to our families.

and for the next 20,000 families.

Ways to Give

When Diane and Bernie founded the Breathing Room in 1997, their intention was to pay forward the support and care they had received during Diane's six-year battle with cancer. Along the way, the Breathing Room has heard countless times that our donors are eager to support others; our recipients can't wait until they are physically and financially in a place to give back; and our volunteers love their time with the Breathing Room.

We are grateful for every gift, large and small; every supporter, working in their own way; every volunteer, for every hour they are available; and every recipient, who allows us to offer a helping hand.
